MongoDB

Figma

SPA

Javascript

Git & Github

Material UI & Chakra UI

Deployment

PROFESSIONAL EXPERIENCE

DHives

Feb 2024 - Present

Frontend Developer

Spearheaded the development of responsive, user-friendly web applications using HTML, CSS, JavaScript, and modern frameworks like React.js and Next.js.

Working closely with UI/UX designers and backend developers to integrate APIs and ensure seamless functionality across the stack.

Improved site performance by implementing best practices for front-end development, including code-splitting, lazy loading, and optimizing images and assets.

Ensured compatibility across various devices and browsers, utilizing media queries and responsive design principles.

DigitalSol

July 2023 - Nov 2023

React Interne

Contributed to the development of web applications using React.js, ensuring high performance and responsiveness.

Built reusable and modular components to streamline the development process and maintain consistency across the application.

Worked closely with senior developers to understand project requirements, participate in code reviews, and implement feedback to improve code quality.

Utilized Git for version control, collaborating with team members through branches, pull requests, and code reviews.

EDUCATION

Bachelor of Science in Computer Science

Majors: Computer Sciences

LGU

ICS

Garrison College.
